ORDER EARLY

Early orders are solicited.

Terms: Cash with order or in advance of shipment.

Guarantee: I guarantee all tubers and plants to be healthy and true to name. If not satisfactory, they should be returned upon delivery.

Substitution: We do not substitute except upon permission.

Garden sales, and orders taken at Dahlia Shows have again cleaned some varieties so close that I will be unable to list them here, and many on this list are limited.

Green Plants: I prefer green plants for several reasons. They produce as good or better flowers, as well as better tubers, which are cleaner and free from disease.

Abbreviations: C signifies Cactus; D, Decorative; H. C., Hybrid Cactus; P, Peony; and S, Show.
